BLB&B Advisors, LLC, Named to 2017 Financial Times 300 Top Registered Investment Advisers

SPRING HOUSE, PENNSYLVANIA – June 22, 2017

BLB&B Advisors, LLC, is pleased to announce it has been named to the 2017 edition of the Financial Times 300 Top Registered Investment Advisers. The list recognizes top independent RIA firms from across the U.S.

BLB&B Advisors, LLC, is one of only 14 firms selected throughout Pennsylvania.

This is the fourth annual FT 300 list, produced independently by the Financial Times in collaboration with Ignites Research, a subsidiary of the FT that provides business intelligence on the investment management industry.

Applicants were graded on six factors: assets under management (AUM); AUM growth rate; years in existence; advanced industry credentials of the firm's advisers; online accessibility; and compliance records. There are no fees or other considerations required of RIAs that apply for the FT 300.

The final FT 300 represents an impressive cohort of elite RIA firms, as the "average" practice in this year's list has been in existence for 24 years and manages \$2.7 billion in assets. The FT 300 Top RIAs hail from 37 states and Washington, D.C.
